Ska trampoline zombies!

Okay, last night there were no trampolines. But there were some zombies. And some vampires, and other dead-type persons. A couple Sarah Palins (eek!). (Or maybe they were Tina Fays.) The best Sarah Palin passed out tracts that explained AIDS is caused by ska, riding in Volvos, and wearing flip-flops. Oh, and was male, but you had to look long and hard to figure that out. Excellent.

And even *that* wasn't enough to win the costume contest. Next year, you D.C. clubbies, we are so taking this thing home and making you cry. *g*

Meanwhile, we celebrated the birthday of our own Platypus high, wide, and deep. My feet huuuuurt, which tells me I did that part right. Horn section! Singalong ("Maggie May, bring us another beer!")! Also, several frightening cocktails in colors not found in

nature that bubbled and wreathed themselves in fog. Only one of the reasons why Halloween is better than St. Patrick's Day. (Also because it is my best bud's birthday, which St. Patrick's is not. Did I mention the birthday? Which meant that my sis made cake. But that was earlier.)

Now it is Saturday afternoon. I'm sure we'll all have returned to sober professionalism by Monday morning.

Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

COLLAPSE

There's got to be a mourning after
Tho' there's a Zed outside my door
I've got my Mossberg fully loaded
And I've made headshots by the score!

It's not too late
Not while there's screaming
All kinds a people running round
It's not too late
Maybe I'm dreaming
But I won't worry any more
